Last night on “The Late Late Show,” Gina Rodriguez appeared to promote the current season of “Jane the Virgin,” and told host [James Corden \(http://www.pixable.com/article/justin-bieber-james-corden-carpool-karaoke-40809/\)](http://www.pixable.com/article/justin-bieber-james-corden-carpool-karaoke-40809/) that she loves to box. She even showed off some of her moves, which proved to be a horrible idea when she hit him right in the money maker... ouch!

But the most surprising thing was her fellow guest on the show — she was our favorite TV mom back in the '80s and '90s.

So who's the blonde lady with that signature nasally voice?

It's Roseanne, of course! She is looking amazing these days, and rocking a new blonde 'do. We think she looks fabulous, and it's wonderful to see her on TV again.

Since everything from the '80s and '90s (<http://www.pixable.com/article-tag/90s>) is currently being revived, we're surprised there hasn't been a "Roseanne" reboot. Hollywood, what are you waiting for?
