The ladies Jenner, having spent most of their lives in the spotlight thanks to their famous half-siblings and parents, are surely used to receiving criticism and merciless media scrutiny.

But one woman threw way more than shade towards the duo — in fact, [TMZ](http://www.tmz.com/2015/11/17/kylie-jenner-kendall-thrower-arrested/) (<http://www.tmz.com/2015/11/17/kylie-jenner-kendall-thrower-arrested/>) reported a 30-year-old woman was arrested

for throwing eggs and tomatoes at Kendall and Kylie.

Luckily, the girls weren't hit ([http://www.teenvogue.com/story/kendall-kylie-egging-at-mall?mbid=social\\_twitter](http://www.teenvogue.com/story/kendall-kylie-egging-at-mall?mbid=social_twitter)) and were able to continue their appearance as scheduled... but now all of a sudden, we're craving a Cobb salad. All we need are the bacon bits and some lettuce! Yum.
