Last week, we broke the devastating, earth-shattering news that [Kylie Jenner](#) (<http://www.pixable.com/article-tag/kylie-jenner>) and Tyga had [called it quits](#) (<http://www.pixable.com/article/kylie-jenner-tyga-break-up-69107>). But now there's the possibility that these two lovebirds are trying to make it work. Kylie will appear on "[The Ellen DeGeneres Show](http://www.pixable.com/article-tag/ellen-degeneres) (<http://www.pixable.com/article-tag/ellen-degeneres>)" next week, and Ellen — who shared a clip of the episode — obviously asked Kylie straight up what's going on with them. Ellen [loves asking famous people about their love lives](http://www.pixable.com/article/qwen-stefani-divorce-ellen-blake-shelton-76433) (<http://www.pixable.com/article/qwen-stefani-divorce-ellen-blake-shelton-76433>). She's basically like that nosy aunt we all have who's always up in our business.

Sneak Peek! Kylie Jenner Talks Tyga

“People have it all wrong. We’re not broken up. We just, honestly, we became best friends before anything happened so I think that that’s awesome. And we’re just like, I don’t know, hanging out.”

Young love. There’s like, nothing like it, right? So, like, awesome.
