...and we wholeheartedly agree. Sure, David Beckham may have been People's choice for the [2015 Sexiest Man Alive](#) (<http://www.pixable.com/article/david-beckham-named-sexiest-man-alive-42426>), but it's Justin Timberlake who takes the cake for the [Sexiest New Dad Alive](#) ([http://www.people.com/people/package/article/0,,20957461\\_20967349,00.html?xid=socialflow\\_facebook\\_peplemag](http://www.people.com/people/package/article/0,,20957461_20967349,00.html?xid=socialflow_facebook_peplemag)).

FLEXIN' on Fathers Day... #HappyFathersDay to ALL of the Dads out there from the newest member of the Daddy Fraternity!! --JT

Justin and wife Jessica Biel are clearly one of the hottest couples in Hollywood (and, basically, in the universe) and their family became even more perfect when they welcomed baby Silas Randall (<http://www.pixable.com/article/justin-timberlake-son-photo-95791>) back in April.

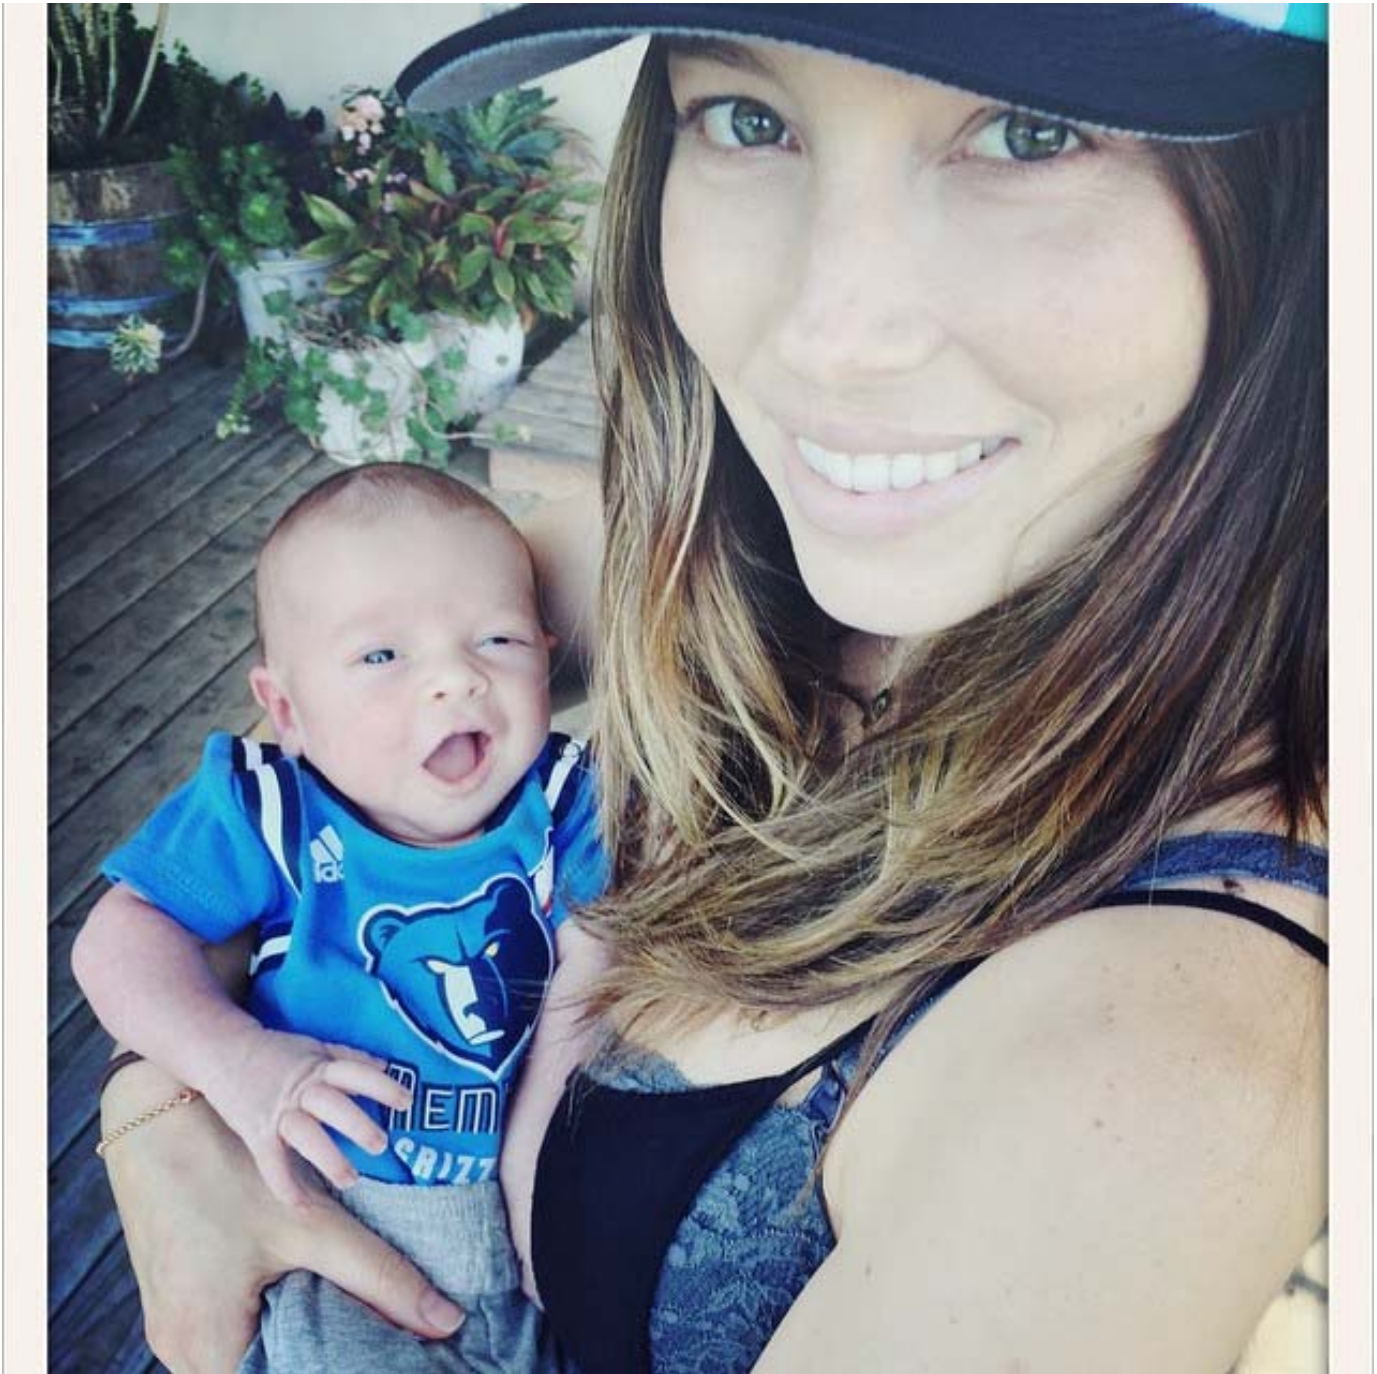

The crooner told People "I've never slept less and dealt with more poop, and been SO excited about it!" New dads, take note. This is how you bring sexy back during diaper changes.

The couple is famously low-key, rarely appearing in public together, but they've already shared some seriously sweet snaps post-baby.
