[Gigi Hadid](#) (<http://www.pixable.com/article-tag/gigi-hadid>) may seem like your average, run-of-the-mill supermodel with a heart of gold, but she just proved yet again (<http://www.pixable.com/article/gigi-hadid-body-shamed-photo-29993>) that she's a force to be reckoned with.

At last night's American Music Awards, we were all almost too focused on the debut of her drastic new look — a short bob — to notice how she amazingly snubbed [Harry Styles](#) (<http://www.pixable.com/article-tag/harry-styles>).

For background: [Taylor Swift \(http://www.pixable.com/article-tag/taylor-swift\)](http://www.pixable.com/article-tag/taylor-swift) dated Harry Styles, and [things didn't end well \(http://www.pixable.com/article/taylor-swift-avoids-her-exes-52556\)](http://www.pixable.com/article/taylor-swift-avoids-her-exes-52556), apparently. Gigi and Taylor are BFFs. Both Gigi and One Direction were on deck to be interviewed by Giuliana Rancic on the E! red carpet before the show, and Giuliana began the intros. It's unclear if she had ever met the boy band before, but based on her interactions, we'd say she probably has. She awkwardly shook Harry's hand, then gave warm hugs to the other boys.

Ouch girl. Guess you've got bad blood. (Sorry, had to.)

Apparently Harry rolled his eyes at Gigi Hadid.

Ahem, back to the obviously important issue of the day: Gigi's hair. Gigi is sort of known for her long, blonde, Victoria's Secret Angel hair. Seriously, take a moment to admire its beauty.

Last night, though, she showed up to the awards rocking a super cute bob, leading the entire world to wonder if she'd actually taken the plunge and chopped off her amazing locks.

Her hairstylist, Bryce Scarlett, told [Cosmopolitan.com](http://www.cosmopolitan.com/style-beauty/beauty/news/a49704/secret-to-gigi-hadid-short-hairstyle-revealed/) (<http://www.cosmopolitan.com/style-beauty/beauty/news/a49704/secret-to-gigi-hadid-short-hairstyle-revealed/>) that we should not panic — thanks to a little hair magic, Gigi’s look was temporary. Bryce confirmed it was actually a “half wig that was cut and attached to the back of her head,” adding: “Gigi wanted to do something short and sleek because of the high neckline of her dress.”

Gigi would look stunning wearing a garbage bag, so props to her for changing it up a bit. She's flawless no matter what.
