File this one under: sentences I never thought I'd ever type. Apparently Mariah Carey is now dabbling in film directing, and she has directed her first feature film, a Christmas movie called "A Christmas Melody" which will air on the Hallmark Channel in December.

I know, but wait — it gets better. Mariah also stars in the movie, and she's playing a PTA president named Melissa who is married to a wealthy dentist. LOL.

The movie also stars Lacey Chabert, who is most known for playing Gretchen Wieners, the heiress to the Toaster Strudel fortune, in "Mean Girls." She plays a former classmate/rival of Mariah's character, and we've got a [clip \(http://www.ew.com/article/2015/11/24/mariah-carey-christmas-melody-lacey-chabert?hootPostID=fcfba4cdaba4674395802ceb12c7d4a8\)](http://www.ew.com/article/2015/11/24/mariah-carey-christmas-melody-lacey-chabert?hootPostID=fcfba4cdaba4674395802ceb12c7d4a8) from the movie where the two meet for the first time after a long time.

All I've got is... LOL. Setting my DVR for this mess ASAP.
